

UNM TECHNOLOGY BUSINESS PLAN LUNCH & SEMINAR

All are Welcome - Required for Competing Teams

“Nuts & Bolts of Startup Financials”

with Ann Brooks, Accounting Dept. Faculty Member

Friday, FEB 19th: 11:30am - 1:30pm
Anderson School, ASM 1064: Lunch Provided

RSVP recommended by Feb. 14: bayley@mgt.unm.edu, 277-6172

All students are welcome to attend. This is the first of two required seminars on Financial Projections for Startups for participants in this year's UNM Technology Business Plan Competition.

At least one member from each team needs to attend and will receive guidelines and helpful tips for startup financials. Soundness of financial projections will be a major judging criterion in the competition.
